Dr. Caroline M.C. White
Superintendent

Dear Graduates of the Class of 2001

This graduating class of 2001 has been a very special one for our faculty and other students to see. The renovation project was going on around the school and to the community for its support in providing the state-of-the-art science laboratories and other facilities in respect.

As a class you have already demonstrated that you are ready for any challenge. You are 'confident' Know that you can handle anything entering the work force in the area of your interest. Follow your interest.

Best wishes to all of you. We at the Schools are very proud of you. You are the future.

Superintendent's Office Staff:

Mrs. S. Rukun, Mr. L. F. Rukun, M. M. Rukun

Judith S. Kelly
Principal

To Our Seniors

It was a pleasure to watch you all grow both academically and socially these past four years. The lessons you have learned, the friends you have made, the achievements you have accomplished in your high school careers have all contributed to your situation as graduates of The Class of 2001. Continue to grow, dare to accept new challenges but never forget the core values that your family, friends and teachers have helped you assimilate into your individual personalities. Congratulations and good luck to all of you.

Sincerely
Judith S. Kelly

SAAD

This year the members of SADD worked hard on informing students of the dangers of drinking and driving. We had a mock driving accident that included members of SADD, Millis Police, Millis Fire, Millis EMTs, and the UMASS Airflight Team. The simulation showed the student body what it would be like to be involved in a fatal crash that had been caused by drinking and driving. From time also brought White-Out Day and informational messages over the PA and in the halls. We hope that our message got through. Officers this year were President: Jen M. Duffy; V.P. Caitlin Dolan; Secretary: Laren Coleman and Treasurer: Danielle Horton.

Art Club

The Art Club is a group of students who are interested in art. They meet every week and work on various projects. They have a lot of fun and learn a lot about art. They also have a lot of talent and create beautiful works of art. They are proud of their work and enjoy showing it to others.

Newspaper

The Newspaper Staff, led by Editor Katie Kilgore, put out some interesting issues this year. The staff tried to tackle issues that were pertinent to the student body such as: cafeteria food, school cleanliness, the senior project, where to eat, student complaints and the general angst of being a teenager in high school. Each issue that was published was read by the entire Student Body!

Amnesty International

The officers of Amnesty International were: Katie Kilgore — President; Allison DeChristoforo — Vice President; Meg Duffy — Secretary and Adam Whelan — Treasurer. We concentrated on writing letters to various leaders of corporations and countries asking them to look out for the civil rights of their people. We wrote to places like Afghanistan, Columbia and Mexico. Each meeting was filled with different discussions focusing on rights. It was a learning experience for all.

Common Ground

The Club worked on making students more accepting of others. The club attended various events throughout the year that helped them to learn new ways to educate students about being tolerant of others. The play *The Left Hand*, put on by Medway High School Students, was sponsored by Common Ground and presented to the entire student body. It initiated a lot of discussion afterwards and that is the beginning of tolerance

Student Council

The Student Council had a successful year. This year's officers were President Brad Shuker; Vice President: Mike Reardon; Corresponding Secretary Carlin Dolan; Recording Secretary Caroline Walsh; Treasurer: Danielle Horton. We held fundraisers such as Penny Wars, Computer Dating, Clothing Drive, and Globe Santa. We ran a Blood Drive in conjunction with the Red Cross and donated a lot of blood. We went to the JFK library to attend a mock debate. All in all, the StuCo rules!!

Yearbook Staff

The 2001 Yearbook staff was the *coolest* we've had in years! Working hard through long lunches and many a night meeting, this extremely dedicated group of individuals put together this outstanding yearbook which you are thumbing through! Memories of chasing after stubborn students unwilling to have their picture taken and staying at the school 'til all hours of the night will haunt us forever. Fun was had and layouts were sent in eventually! Throughout all of our challenging endeavors one phrase unlocked many an otherwise barred door ... "It's okay we're with the yearbook!"

Soccer

This year's Girls Soccer team managed the best record in school's history, an impressive 12-6-2, earning them the title of the best girls soccer team ever. For the second year in a row the team entered into the State Tournament. They reached the quarterfinal and were defeated by Hanover, ultimately the State Champions, in a grueling over-time match. Team accolades include: Ledford and Katie Donovan — Co-Defensive Players; Danielle Horton — Most Improved Player; Cara Magnarelli and Caitlin Dolan — Co-MVP. Tri-Valley League All-Stars were Lauren Coleman, Christine Cushman, Caitlin Dolan, Katie Donovan, Leah Horgan, and Cara Magnarelli. Metro West Daily News All-Stars were Cara and Caitlin. Cara also received the Eastern Mass All Star Award, All State Award and Herald All Star. Cara was the Tri-Valley League season scorer with 35 points. Coach Magnarelli and the girls believe it and still do BELIEVE IT!

Soccer

Boys Soccer had an off year but that did not detract from the great performances turned in by many members of the team. Brad Shuker led the Tri Valley in scoring while Matt Goudy was the Tri Valley League MVP. Brad and Matt were also Mass A State Finals. Moynihan and Jeff Sheehy worked hard and played a solid left all season. A highlight of the season came when the team also beat first place Holliston in a come from behind effort, unfortunately the game ended with Holliston winning 3-2. Next years team is looking for a great season and wishes the seniors good luck.

Volleyball

This year was a rebuilding year for the Girls Volleyball team. The young team consisted of only one senior, Captain Jessica Chisholm, two juniors, five sophomores and three freshmen. The team worked hard throughout the season building on and refining their skills. They played their games extremely hard and were only two games away from making the tournament. The most memorable game was a tough win over Holliston. Team Awards went to Jessica for MVP and Captain Heather Bishop for Sportsmanship.

Football

The year started off great with the Mohawks defeating a Division 4 team. The following week we were banged up by Norton and Captain Mike Ray for a few games to a knee injury. The team bounced back and went on to win the next four games in a row, but in the process Rick Catenacci and Dave Connors were also taken down with knee injuries. The Mohawks were down three starters to face top seed Bellingham, the game was 0-0 for the first three quarters and unfortunately we lost 6-0 in the fourth quarter. Following a loss the next week, the Team, back to full strength, went on to shut out third place Holliston. The season ended with a shut out against Medway on Thanksgiving. Giving the Team a 7-3 record putting them in second place in the league. Steve Ganusko, Tim Ward, D Connors and Pete Farney were All-Stars and Wes Schifano named TVL Offensive Player of the year.

Cheerleading

This year proved to be one of the best for the cheerleaders. We kicked off our football season with a 2-0 triumph over the Holy Cross. We had fun practice and showed some of the things that helped us form great team unity. The program was fun for everyone. Soccer was intense. Basketball season was exciting and we concentrated on the upcoming competition. After a homecoming game at Medway, we went to Rehoboth where we became South Sectional Regional Champions. We then traveled to the state competition in Lowell where we did exceptionally well in the Division. It's been a fabulous year and the seniors thank everyone who helped.

Basketball

This year the Millis Girls Varsity Basketball team had one of its best seasons in recent years. Although the 4-16 record did not show it, the team was able to compete with almost every other team in the league. The immense effort by both Coach Paul Adams and the team earned them respect from all of the other coaches and teams in their area. This year's team will graduate four seniors: Captain Caitlin Dolan, Meg Duffy, Danielle Horton, and Captain Cara Magnarelli. Next year's team is expected to move up in the league and hopefully make the state tournament. Junior Christine Cushman was a first team Tri-Valley League All-Star while Cara Magnarelli and Liz Hogan were Honorable Mentions. The team awards were given to Danielle Horton and Meg Duffy (Sportsmanship), Caitlin Dolan (Coach's Award), and Cara Magnarelli (Unsung Heroine).

Basketball

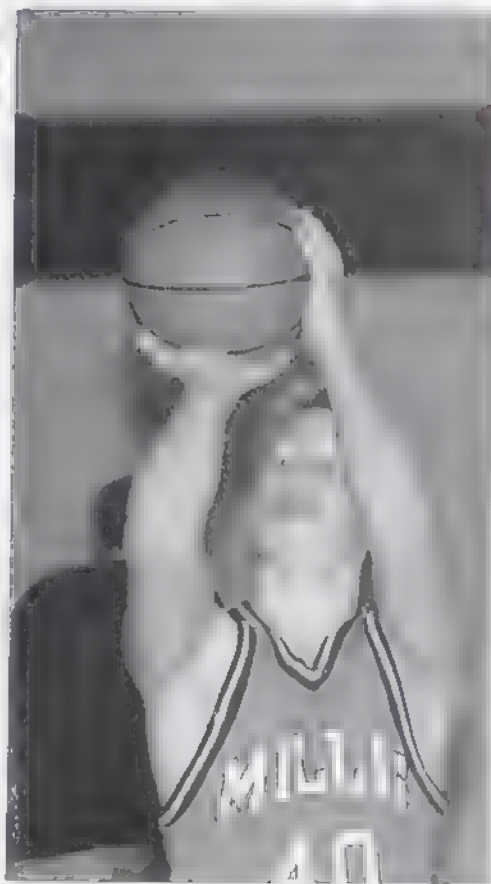

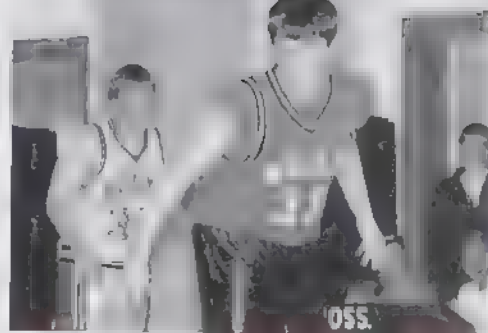

Led by Junior All-Star Scott Crabb, then the Mills Boys Basketball team made it to the State Tournament for the second straight year. In the tournament the team gave the home crowd a two-point home game. Scott was joined by Dave Moylan and Junior Pinner in the All-Star game. Overall it was a nice season for Coach Ingraham and the Mills Boys Basketball team.

Tennis

The 2001 Millis Boys' Tennis team had a outstanding season, ending with a 12-6 record. Led by captains Danny Dillon and Craig Bernabei and seniors Dave Moynihan, Nick Garland, and Dai Kruss, this team was a force to be reckoned with in the Tri-Valley League. They made the first trip to the State Tournament in twenty three years! Inspired by Coach Gagne, in his second year with the team, the players responded to the consistency in coaching with hard work and dedication throughout the extended season. Danny was named Tri-Valley League All-Star again, this time ranking fourth in the entire league. This team certainly has a lot to be proud of!

Softball

After a tough season last year we came into this season with something to prove. The snow kept us inside the gym for a while but that didn't stop us from working hard. Our first win against Wayland showed the determination of our young team. We didn't have any seniors, but a lot of potential was forming. Things were shaky in the beginning but halfway through the season our hard work began to pay off. We had an important win against Bellingham which went into 9 innings and ended with a final score of 2-1. Our record of 6-13 doesn't say too much for us this season but we really set the stage for next season and we look forward to it.

Baseball

This team, lead by Captain Dave Connors, found themselves rebuilding during the first half of the season under a new coach Coach Wilson.. The team ended the season with a record of 7-11, but these numbers are deceptive, in the last 7 games they found their game winning the last 6 out of 7. Roy Davis, Mike Johnson, and Bobby DiMarino were Tri-Valley All Stars and Bobby took the Tri-Valley League batting title with a .515 average. Next year they should be returning seven members of the starting lineup and hopes that they get into the State Tournament - we wish them luck

Tennis

The Girls' Tennis team lead by Senior Captains Caitlin Gavin and Katie Kilgore. The young team, consisting of only one with other senior Jen Gregory, had a constructive season. While their record may not show it, the team had a fun season and enjoyed building their skills and they are happy that Coach Ingramham survived TGS! Caitlin Gavin and Jen Duffy were Honorable Mentions for Tri-Valley 1st doubles, and Katie Kilgore was a Tri-Valley 1st Team All-Star

Back Row: S. Thompson, R. I. Middle Row J. Roberts, J. Duffy, L. Curran Front Row

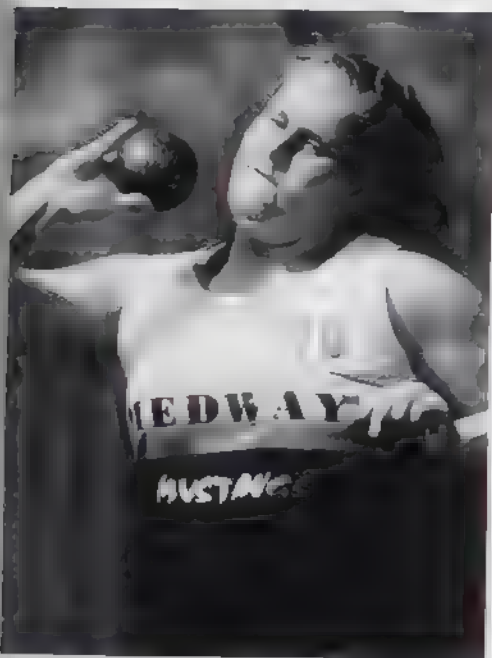

Track

Both the boys and girls track teams had a successful season with both records being 4-3. On the boys side, senior sprinter Bryan Coops (100m) and junior Dave Wright (Javelin) both had a great season and qualified for the State Meet. Bryan finished fifth in the 100m at the league meet. On the girls side the state qualifiers were senior Cara Magnarelli in the 100 and 200 meters and Christine Cushman for the 1x400. Cara finished fifth in the league for the 100 and third in the 200 and was also a TVL All-Star for the 200m. Christine and her 1x400 relay team finished fourth in the league and ran well at the state Meet. Overall it was a successful season.

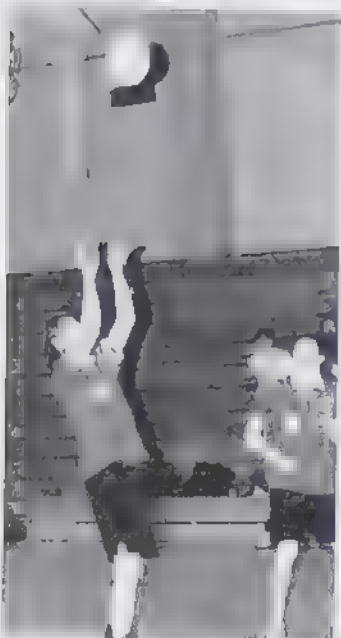

Back Row: U. Coops, M. Wright, D. Wright, A. Quisenberry Front Row: A. Cushman, C. Magnarelli

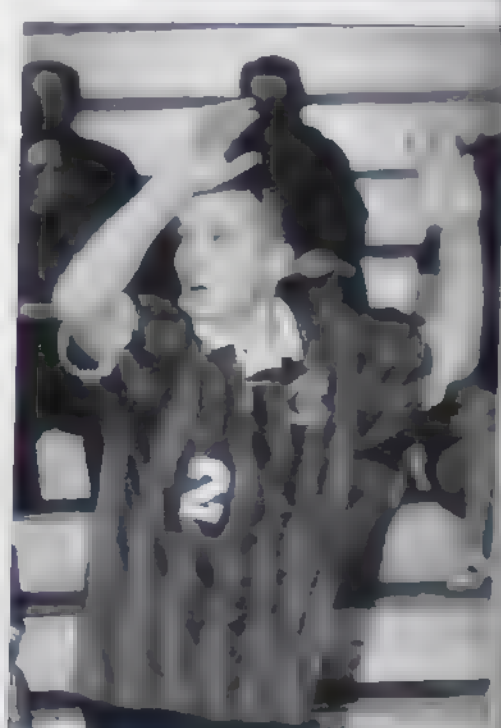

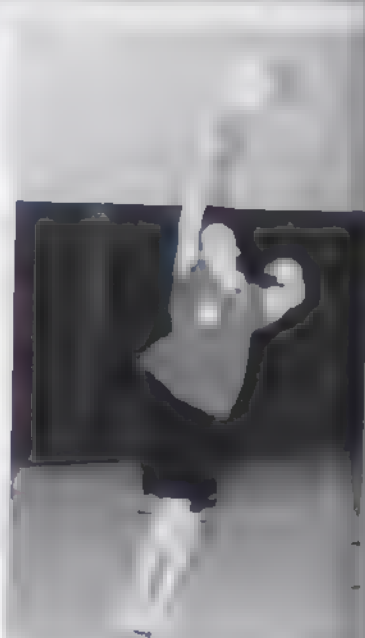

Volleyball

This season the Varsity Men's Volleyball team made a surprising season record of 15-2 which easily qualified them for the State Tournament. The team lost the final in the semi-finals of the conference tournament. But, no one was disappointed, and when you look at the team which consisted of one senior, one junior, four sophomores, and two eighth graders the accomplishments of the team are even more staggering.

To the team: "Stay strong, never give up, but most of all never forget where you came from. The greatest win is one you win without losing to win and the greatest loss is when you leave the gym with your heads up high." — Alex

Homecoming

The Homecoming Pep Rally kicked off the annual MHS Spirit Week competition. Each grade created a unique banner that was judged at the Pep Rally. Although the Juniors won, their "convenient" victory still under investigation due to some questionable voting techniques.

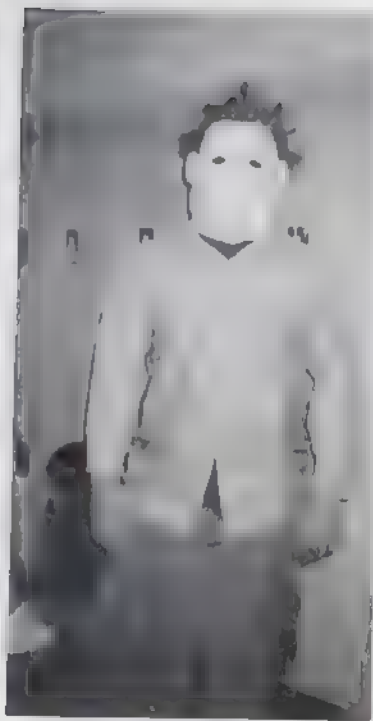

The Pep Rally also gave the student body an opportunity to cheer and support all the extraordinary fall sports teams. Each member of the JV and Varsity soccer, cheering, volleyball, and football teams were brought to the center of the gym for acknowledgement of their achievements. Also, the Homecoming Court for the smashing 2000 Homecoming Court were announced. The class consisted of seniors; Leah Horgan, Carolyn Duran, Kate Donovan, Jen Davis, and the Queen, Cara Magnarelli. All in all, it was a good time!

This year's stellar Thanksgiving Pep Rally was kicked off with Super Sweats Day, then moved to the Red and White Day. As part of this year's pep rally, the school was able to raise money for the school's new gymnasium. The pep rally was a great success and the students had a great time. The Super Sweats Day was a great success and the students had a great time.

The MHS Student Body was the first to be selected for the final cut for this year's Elite Competition. Although the students were not able to compete in the final cut, they were able to participate in the other events.

NHS Induction

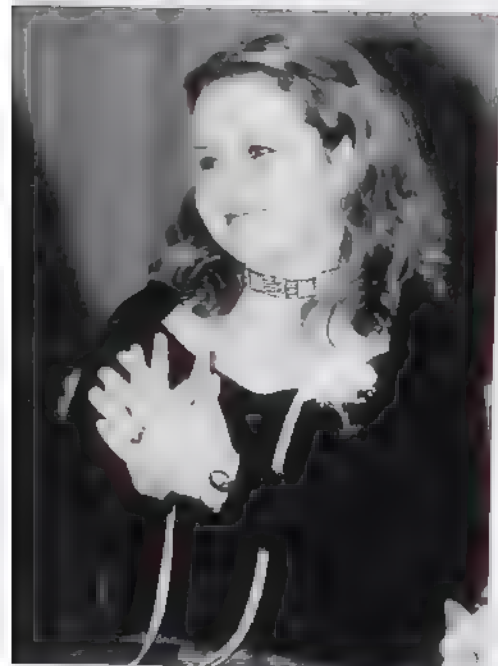

On March 29 we had the National Honor Society Induction for the 2001-2002 members. It started off with Katie Kilgore, Kati Donovan, Meg Duffy, Caitlin Dolan and Danielle Horton each telling the characteristics of an Honor Society member. Our guest speaker Danielle McQuarrie told us how what we learn through NHS will help us in life. Following this, each of the 22 inductees made a short speech about a person who has been an important influence in their life. The evening came to a close with a candle lighting ceremony during which both old and new members pledged to uphold the standards of the National Honor Society. Even though there were a few mishaps, the ceremony was a success.

Salutatorian

Good evening. Welcome to the graduation of the Millis High School Class of 2001

As I look around tonight I cannot help but feel extremely fortunate. This room is filled with friends, family, and teachers who look upon us tonight with nothing but pride. Pride for being able to take some credit in the self-sufficient adults that my fellow classmates and I have become. We all know that the journey, ending with us up on this stage tonight, has not been a simple one or one accomplished without help. All of those with us tonight have been there supporting, inspiring, even pushing us to do nothing but our best. For this we must be forever grateful.

There is no relationship in this room, however, that has been more influential to our development these last 13 years or is as unique as that between our classmates. Our grade is not one that can be easily defined, nor can the term classmate be narrowed down to anything specific. In some cases your classmates are your friends or even best friends. There are those you just consider school friends and some that only remained familiar due to the trite method of alphabetical seating. Still others you may not care for at all. Like or dislike, great friend or not, we are all still and always bound together in this irreplaceable relationship of classmate.

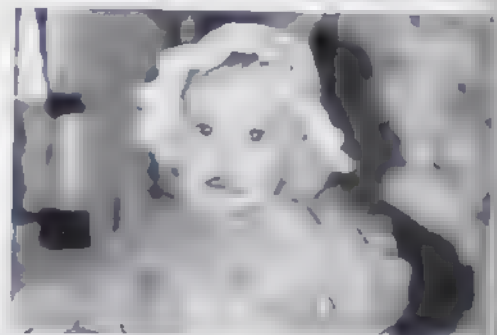

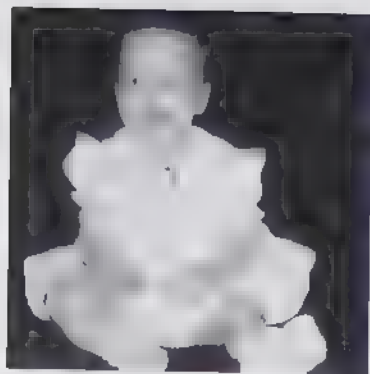

Despite social adjustments over the years our grade has still remained together. We have watched one another's youth drift away and the age of maturity, welcome or not, set in. So, as our past was a shared and memorable time, our future without one another is upon us.

This certainly is a monumental change but at the same time one of our greatest opportunities. Where we stand right now is one of the most exciting and also crucial points of our lives. We have the power to make our future, write our history, and follow our dreams. Whether we are furthering our education or braving into the real world, we now have the ability to make decisions that will shape tomorrow.

Although the world that we are about to enter is vast and filled with conflict, it is important that we realize that we can and should make a difference. I think that a quote from Robert Kennedy can best get the message across that I wish to impart to all of you.

"Few will have the greatness to bend history itself, but each of us can work to change a small portion of events, and in the total of all those acts will be written the history of this generation. It is from numberless diverse acts of courage and belief that human history is shaped. Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance. Few are willing to brave the disapproval of their fellows, the censure of their colleagues, the wrath of their society. Moral courage is a rarer commodity than bravery in battle or great intelligence. Yet it is the one essential, vital quality for those who seek to change a world that yields most painfully to change."

Those words spoken in 1966 still ring as true today as they did then. So with that I want to wish you, my classmates, the best of luck with whatever life deals you and implore you to embrace this pivotal time with high hopes and confidence in yourself. Thank you very much.
